CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Subject to the passing of the proposed resolution for the grant of the Issue Mandate and on the basis that no Shares are issued or repurchased by the Company during the period between the Latest Practicable Date and the date of the AGM, the Directors will be authorised to issue up to a maximum of 204,111,000 Shares pursuant to the Issue Mandate based on the number of issued Shares of 1,020,555,000 as at the Latest Practicable Date.

Under the GEM Listing Rules, the Company is required to give to the Shareholders an explanatory statement containing all information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate. The explanatory statement required by the GEM Listing Rules is set out in the Appendix I to this circular.

7. RECOMMENDATION

The Directors are of the opinion that the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the re-election of Directors referred to in this circular are in the best interests of the Company and the Shareholders and recommend you to vote in favour of all the resolutions to be proposed at the AGM.

8. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular.

Yours faithfully
By order of the Board
Flying Financial Service Holdings Limited
Li Zhongyu
Chairman

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 1,020,555,000 Shares in issue. Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 102,555,000 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Share repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. SOURCE OF FUNDS

Repurchase made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the memorandum and articles of association of the Company, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or out of capital on if immediately following the date the payment out of capital is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2012, being the date of its latest published audited consolidated financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. THE TAKEOVERS CODE

If a shareholder's proportionate interest in the voting rights of the company increases on the company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers ("**Takeovers Code**"). As a result, a shareholder or a group of shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and becomes obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, so far as is known to the Directors, Mr. Li Zhongyu, Mr. Zheng Weijing, Mr. Peng Zuohao, together with the companies directly or indirectly owned by them, namely, Ding Rong Limited, Ming Cheng Investments Limited, Ocean Prosperous Limited, High Eminent Limited, Prime Origin Limited and Silvery Dragon Limited are parties acting in concert and interested in an aggregate of 609,140,767 Shares, representing approximately 59.69% of the entire issued share capital of the Company. On the basis of 1,020,555,000 Shares in issue as at the Latest Practicable Date and assuming no further issue and repurchase of Shares prior to the date of the AGM, if the Repurchase Mandate were exercised in full, the percentage interest held by above parties acting in concert would increase to approximately 66.32% of the then issued Shares. The Directors consider that such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

Assuming that there will be no change in the issued share capital of the Company and the number of Shares held by the public prior to the repurchase of Shares, and if the Repurchase Mandate was exercised in full, the percentage shareholding of the public would not be less than 25% of the issued share capital of the Company. As such, the exercise of the Repurchase Mandate in full would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. It is, moreover, not the intention of the Directors to exercise the Repurchase Mandate to such an extent as would, in the circumstances, result in less than 25% of the issued share capital of the Company being held by the public.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange from 7 May 2012, being the date of listing of the Shares on the Stock Exchange and up to the Latest Practicable Date are as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2012		
May (from 7 May 2012)	0.720	0.590
June	0.630	0.510
July	0.580	0.570
August	0.580	0.460
September	0.580	0.445
October	0.640	0.560
November	0.650	0.500
December	0.610	0.465
2013		
January	0.600	0.500
February	0.570	0.510
March (up to the Latest Practicable Date)	0.560	0.500

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

8. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make repurchase pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM and exercised.

No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has present intention to sell any Shares to the Company or its subsidiaries nor has any such connected person undertaken not to do so in the event that the Repurchase Mandate is granted.
